

Michigan Heart Gallery Display Reservation

The Michigan Heart Gallery is a traveling photographic exhibit featuring photos of children currently in the foster care system. Over 50 professional photographers have donated their time and talent to photograph them and make this display possible. Reserving the Heart Gallery for your event is an easy way to advocate for Michigan's waiting youth and the need for adoption.

Reservations are taken on a first come, first serve basis. MARE will ship the display directly to you and provide a return shipping label. We ask that you please take the display to your local FedEx store the day after your event so we can ensure it will arrive to its next destination on time. The larger "main display" stands 10' x 20'. MARE also has six three-dimensional banner stands at 3'x7' that are ideal for smaller spaces. On the form below, please provide all the necessary information and a MARE representative will contact you to discuss further details.

Thank you for your interest in hosting the Michigan Heart Gallery!
